customers

Wessex Water
YTL GROUP

FOR YOU. FOR LIFE.

Our promise to household customers

We aim to provide you with the very highest levels of service.

And we're also determined to make sure that all your contact with us is conducted with courtesy and consideration.

Our industry is legally bound to maintain certain standards but we aim to go beyond these by offering you one of the best overall guarantees in the industry.

This leaflet explains our Promise to you.

It outlines the length of time we'll take to respond to contacts and incidents and how much we'll pay if we fail to meet our promises.

Contact details	Back cover

We've used the following pictures to help summarise the information in this leaflet:

We'll respond to you within:

This indicates the number of working hours or working days within which we'll respond to you.

How much we'll pay you if we fail:

This indicates the amount we'll pay you if we fail to keep our promises.

How we'll pay you:

We make some payments automatically but others you will need to claim for. Please see back cover for our contact details.

Points to note

Our working hours for the purposes of our Promise are 8am to 6pm and our working days are Monday to Friday, excluding bank holidays.

- Our timescales start on the day we receive your request or correspondence.
- Compensation payments are normally made by cheque or bank transfer. If your account is in debt, payments will be credited to your account.
- Where we are not able to identify customers affected by sewage flooding, pressure issues and supply interruptions, customers can claim payments themselves.
- Any claims must be made within three months.
- **Penalty payments:** where we fail to make an automatic payment within the stated time we will make penalty payments. Please refer to the tables for details. Where you need to claim a payment we'll make that payment within 10 working days of your claim. If we fail to do that you are entitled to claim a penalty payment.
- **Disputes:** any disputes arising in relation to guaranteed standard payments may be referred to Ofwat for determination. Its decision is binding.

Working in the street			
Our website shows where any water and sewerage work is being carried out - visit wessexwater.co.uk/work or www.roadworks.org which provides similar information for other utility companies and councils		Compensation if we fail to keep our Promise	How we'll pay you
Working in the street	Where we intend to carry out major planned work* in the street immediately outside your property we will give you advance notice and tell you about any pedestrian or vehicle problems that may arise.		
* Major planned work is over and above general maintenance so excludes work such as sewer repairs and cleaning, surveys, repairing leaks, installing new connections, and repairs and installation of meters and stop taps.			

Water meters			
		Compensation if we fail to keep our Promise	How we'll pay you
Fitting meters	We'll fit your meter within 30 working days of receiving your application form. Your bill will be calculated based on your water use from the date the meter is fitted.	Water supply will be free from the end of the 30 working days until we fit the meter*	-
Meter readings	We'll read your meter at least once a year as long as we can gain access to it.		
Moving house	If you move house we'll read your meter on the day you move as long as you give us five working days' notice.		
Extra readings	Customers with additional needs and the elderly can ask for up to a maximum of two extra meter readings each year. We'll take the readings within five working days of your request.		
* Unless the installation has been delayed at your request or that of a third party. We'll apply this refund when we set up your new metered bill.			

Leaks	
Leaks on customers' private supply pipes	We can fix a leak on most private supply pipes free of charge. We will usually do this within 10 working days or sooner. We often have to balance this work with fixing larger leaks on mains in the road or attending to customers who have an emergency such as no water at all.
Leaks on our pipes and fittings	We aim to repair any leaks on our pipes and fittings that have been reported by a customer within two working days. If the leaks are visible we will aim to fix them by the end of the next working day.

Water supply interruptions
