Foul Storm

5 Checklist

The following information should accompany your application (if available)

<input type="checkbox"/> Site plan	<input type="checkbox"/> Statutory undertakers information
<input type="checkbox"/> Third party land owner	<input type="checkbox"/> Soils or borehole information
<input type="checkbox"/> Proposed site layout/level and flow data	<input type="checkbox"/> Location plan

Failure to include any of the above will be deemed as an incomplete application and result in the application being delayed/returned.

All the above will assist Wessex Water in producing the budget estimate as quickly and accurately as possible.

6 Declaration

I/We hereby requisition a public foul/surface water sewer to serve the new development site described.

I/We undertake to pay the relevant fees.

I/We have no rights to cross or drain through third party land. I/We have/have not been in negotiation with those affected third party land owners (If the answers above are affirmative, further information will be required).

I/We have read the guidance notes issued with this application and the relevant legislation and enclose a copy of a valid planning consent. I/We understand that any payments made will be refunded upon request, if the requisition is withdrawn, after the deduction of Wessex Water's reasonable costs.

Signed
